Overnight hailstorm causes damage in parts of Colorado's Front Range

BY CBSCOLORADO.COM STAFF, ASHTON ALTIERI
UPDATED ON: MAY 10, 2023 / 2:30 PM / CBS COLORADO

Thunderstorms mostly north of Denver Tuesday evening brought damaging hail in parts of Boulder, Larimer, and Weld Counties. Damage was reported in Longmont, Erie, Johnstown and Firestone.

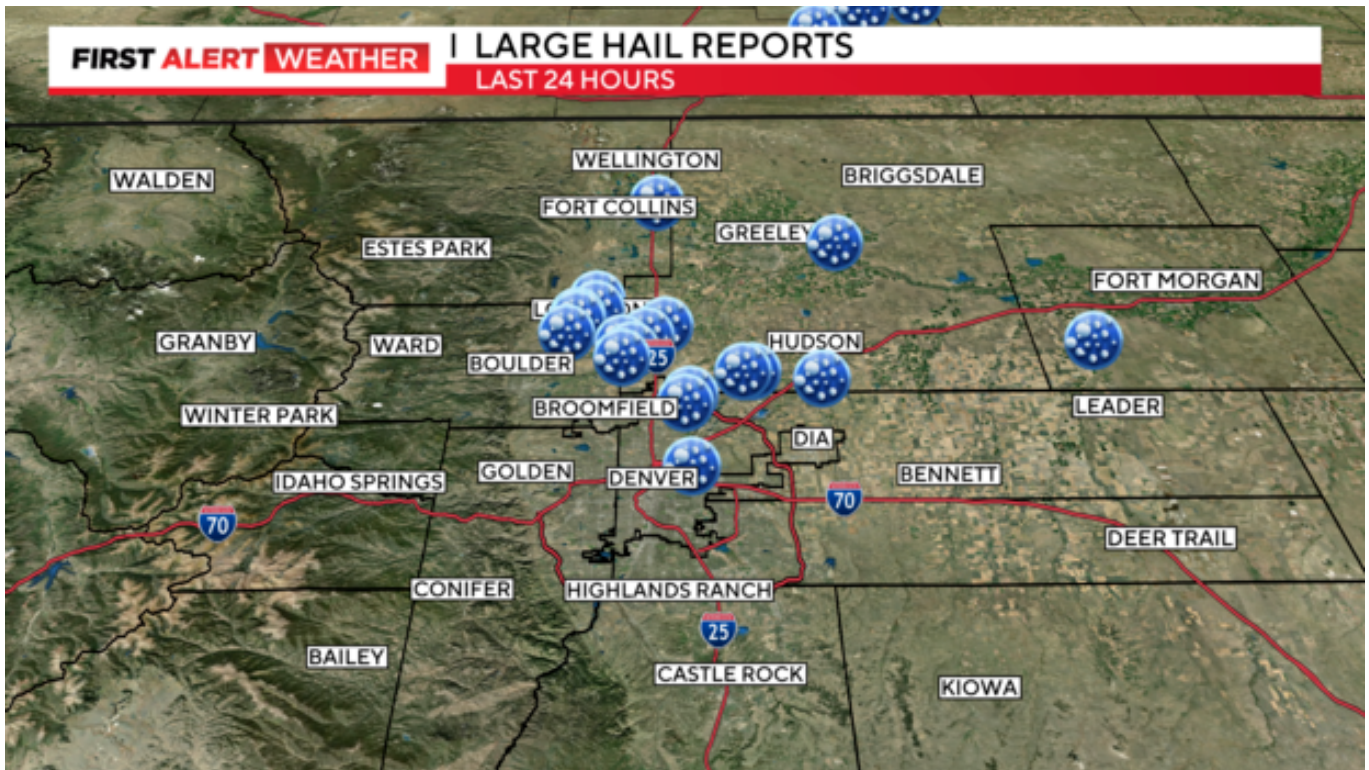

CBS

Some cars in Erie had major hail damage, including shattered windshields and damaged exteriors.

CBS

The hail piled up so high in some places that residents had to shovel it out of their driveways. In total, more than a dozen reports of hail at least 1 inch in diameter were reported late Tuesday. And some hailstones were as large as 2 inches in diameter.
