**Info Brochure "*the holocaust never happened*"**

**Download: [PDF: 2 MB](#) | [Buy this item](#)**

This brochure is a more thorough introduction into revisionism. It answers questions like: *What is historical revisionism and why is it important? What is meant by "The Holocaust" or "Shoah?" What does Holocaust revisionism claim? What about those pictures of mountains of dead bodies in the concentration camps? Does it really matter whether prisoners died from disease or poison gas? Does it matter how many Jews were killed during the Third Reich since even one thousand would have been too many?*

**Germar Rudolf, *Lectures on the Holocaust. Controversial Issues Cross Examined***

**Download: [PDF: 13.4 MB](#) | [Buy this item](#)**

**Fred A. Leuchter, Robert Faurisson, Germar Rudolf, *The Leuchter Reports. Critical Edition***

**Download: [PDF: 13.7 MB](#) | [Buy this item](#)**

Between 1988 and 1991, American expert on execution technologies Fred Leuchter wrote four expert reports addressing the question whether or not the Third Reich operated homicidal gas chambers. The first report on Auschwitz and Majdanek became world famous. This edition republishes all four reports, and accompanies the first one with critical notes and research updates.

**Germar Rudolf (ed.), *Dissecting the Holocaust. The Growing Critique of 'Truth' and 'Memory'*, 2nd., revised paperback edition**

**Download: [PDF: 16 MB](#) - [HTML-ZIP: 6 MB](#) | [Buy this item](#)**

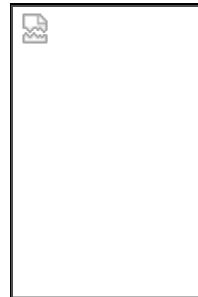

*Dissecting the Holocaust* applies state-of-the-art scientific technique and classic methods of detection to investigate the alleged murder of millions of Jews by Germans during World War II. In 22 contributions of each ca. 30 pages, the 17 authors dissect generally accepted paradigms of the 'Holocaust'. It reads as exciting as a crime novel. This is *the* intellectual adventure of the 21st century.

**Germar Rudolf, *The Rudolf Report. Expert Report on Chemical and Technical Aspects of the "Gas Chambers" of Auschwitz***

**Download:** [PDF: 4.4 MB](#) - [HTML-ZIP: 1.4 MB](#) | [Buy this item as paperback](#) | [Buy this item as hardcover](#)

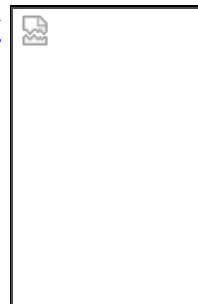

The so-called *Leuchter Report* about the alleged gas chambers of Auschwitz and Majdanek has been subject to massive, and partly justified, criticism. Rudolf wrote a thorough forensic study about the alleged gas chambers of Auschwitz which irons out the deficiencies and discrepancies of the *Leuchter Report*. *The Rudolf Report* is the first English edition of this sensational scientific work.

**Jürgen Graf *The Giant With Feet of Clay. Raul Hilberg and his Standard Work on the 'Holocaust'***

**Download:** [PDF: 1.4 MB](#) | [Buy this item](#)

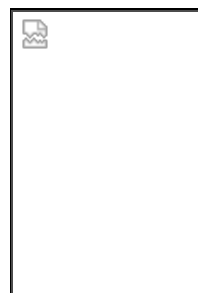

Raul Hilberg's major work *The Destruction of European Jewry* is generally considered the standard work on the Holocaust. Jürgen Graf applies the methods of critical analysis to Hilberg's evidence and examines the results in the light of Revisionist historiography. The results of Graf's critical analysis are devastating for Hilberg.

**Jürgen Graf, Carlo Mattogno, *Concentration Camp Stutthof and its Function in National Socialist Jewish Policy***

**Download:** [PDF: 8.3 MB](#) - [HTML-ZIP: 2.2 MB](#) | [Buy this item](#)

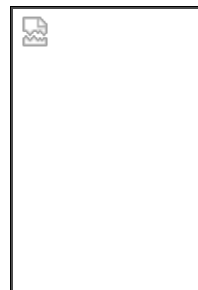

According to communist literature, the Stutthof camp was a 'makeshift' extermination camp within the framework of the so-called 'Final Solution of the Jewish Question' in 1944. Jürgen Graf and Carlo Mattogno have examined this view of Stutthof. Not only do the authors prove that the Stutthof camp did not serve as a 'makeshift' extermination camp...

**Jürgen Graf, Carlo Mattogno, *Concentration Camp Majdanek. A Historical and Technical Study***

**Download:** [PDF: 9.1 MB](#) - [HTML-ZIP: 3 MB](#) | [Buy this item](#)

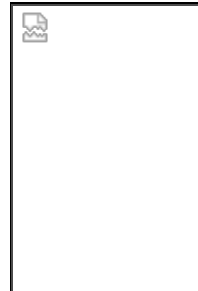

Common information available on the Madjanek camp is thoroughly discredited Polish Communists propaganda. With their exhaustive study, Mattogno and Graf expertly dissect and repudiate the myth of homicidal gas chambers at Majdanek. They also investigated the legendary mass executions of Jews in tank trenches ("Operation Harvest Festival") critically and prove them groundless.

**Don Heddeshimer, *The First Holocaust. Jewish Fund Raising Campaigns With Holocaust Claims During And After World War One***

**Download:** [PDF: 3.8 MB](#) - [HTML-ZIP: 2.4 MB](#) | [Buy this item](#)

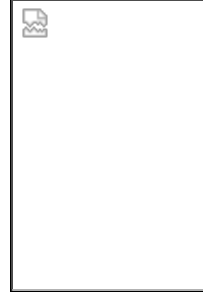

Supported with many publications, in particular from *The New York Times*, the author shows that between 1916 and the late 1920s, mainly American Jewish organizations were claiming that up to six million Jews(!) would suffer terribly in Eastern Europe and would face a holocaust if they did not receive massive aid.

**Arthur R. Butz, *The Hoax of the Twentieth Century*, third, revised and expanded edition**

**Download: [PDF: 12.8 MB](#) - [HTML-ZIP: 2.25 MB](#) | [Buy this item](#)**

Professor A. R. Butz was the first (and so far the only) writer to treat the entire Holocaust complex from the Revisionist perspective, in a precise scientific manner. This book exhibits the overwhelming force of historical and logical arguments which Revisionism had accumulated by the middle of the 70s. This new edition comes with several supplements adding new information.

**Carlo Mattogno, Jürgen Graf, *Treblinka. Extermination Camp or Transit Camp?***

**Download: [PDF: 12.7 MB](#) - [HTML-ZIP: 2.1 MB](#) | [Buy this item](#)**

It is claimed that at Treblinka camp, between 700,000 and 3,000,000 Jews were murdered in 1942 and 1943. The weapons used were alleged to have been stationary and/or mobile gas chambers, poison gases of both fast acting and slow acting varieties, quicklime, superheated steam, electricity, diesel exhaust fumes... This thorough study exposes the Treblinka hoax.

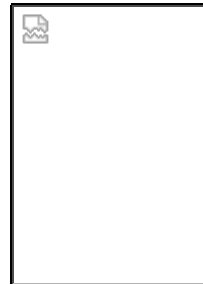

---

**Carlo Mattogno, *Auschwitz: Crematorium I and the Alleged Homicidal Gassings***

**Download: [PDF: 8.9 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)**

The morgue of crematorium I in the Auschwitz concentration camp is said to have been the first location where mass gassings of Jews occurred over an extended period of time. This study investigates all the documentary, physical, and anecdotal evidence. Carlo Mattogno shows that this morgue always was only what it was meant to be: a morgue.

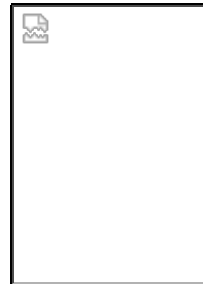

---

**Carlo Mattogno, *Auschwitz: Open Air Incinerations***

**Download: [PDF: 5.2 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)**

Due to a restricted capacity of the Auschwitz crematoria, hundreds of thousands of corpses of murdered victims are said to have been incinerated in fires lit in deep trenches in Auschwitz. This study investigates all the documentary, physical, and anecdotal evidence. Carlo Mattogno shows that the stories about these open air incinerations, although based on a kernel of truth, are vastly exaggerated, and their homicidal background is untrue.

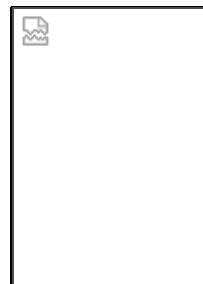

---

**Carlo Mattogno, *Auschwitz: The First Gassing. Rumor and Reality***

**Download: [PDF: 8.8 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)**

The first gassing of human beings in Auschwitz is claimed to have occurred on Sept. 3, 1941. The accounts reporting it are the archetypes for all later gassing accounts. This study exhibits the sources about this alleged event and analyzes them critically. It shows that these sources contradict each other in every essential point, rendering it impossible to extract a consistent story. Original wartime documents inflict a final blow to the tale of the first homicidal gassing.

**Carlo Mattogno, *Belzec in Propaganda, Testimonies, Archeological Research, and History***

**Download:** [PDF: 3 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)

600,000, if not as many as 3 million Jews, were allegedly murdered in Belzec camp between Nov. 1941 and Dec. 1942. Various murder weapons are claimed: diesel gas chambers; quicklime in trains; high voltage; vacuum chambers. According to witnesses, the corpses were finally incinerated on huge pyres without leaving any traces... This study exposes the Belzec hoax by thoroughly examining all available evidence, including forensic drillings and excavations of the late 1990s.

**Carlo Mattogno, *Special Treatment in Auschwitz. Origin and Meaning of a Term***

**Download:** [PDF: 6.8 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)

According to official historiography, terms like "special treatment," or "special action," when occurring in German documents in the context of the "Holocaust", were camouflage words which really meant the killing of inmates. By bringing numerous documents into their proper historical context, Carlo Mattogno shows that this interpretation is profoundly wrong...

**Carlo Mattogno, *The Bunkers of Auschwitz. Black Propaganda versus History***

**Download:** [PDF: 6 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)

The so-called "Bunkers" at Auschwitz are claimed to have been the first homicidal gas chambers at Auschwitz specifically erected for this purpose in early 1942. With help of the files of the Auschwitz construction office, this study shows that these "Bunkers" never existed, how the rumors of these alleged gas chambers evolved as black propaganda created by resistance groups within the camp, and how this propaganda was transformed into 'reality' by historians.

**Carlo Mattogno, *The Central Construction Office of the Waffen-SS and Police Auschwitz. Organization, Responsibilities, Activities***

**Download:** [PDF: 6.8 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)

The Central Construction Office of Auschwitz was responsible for the planning and construction of the Auschwitz camp complex. This study sheds light into hitherto hidden aspects of this camp's history. This pioneering study, which is based on mostly hitherto unpublished Moscow documents, is indispensable for those wishing to avoid misinterpretations of Auschwitz documents.

**Carlos W. Porter, *Not Guilty at Nuremberg***

**Download:** [PDF: 0.2 MB](#) | [Buy this item](#)

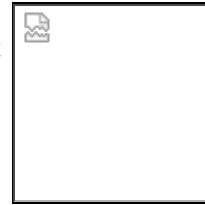

Porter exposes a multitude of legal absurdities as well as glaring violations of juridical procedure of the Nuremberg Trials. He considers all the accused defendants of the tribunals as well as other significant personalities and important witnesses. On the basis of tribunal protocols, he demonstrates the crass and extralegal means used to "prove guilt" at the Nuremberg.

**Ingrid Weckert, *Jewish Emigration from the Third Reich***

**Download:** [PDF: 817 KK](#) - [HTML-ZIP: later](#) | [Buy this item](#)

Jewish emigration was welcomed by the German authorities of the Third Reich. It was not some kind of wild flight, but rather a lawfully determined and regulated matter. Weckert's booklet elucidates the emigration process in law and policy, thereby augmenting the traditionally received picture of Jewish emigration from Germany. The accounts of Jews fleeing Germany in secret by night across some border are untenable.

**Germar Rudolf (ed.), *Special Treatment in Auschwitz. Origin and Meaning of a Term.*** **Download:** [PDF: 2.8 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)

French pharmacist Jean-Claude Pressac was praised by mainstream Europe for his alleged refutation of the revisionists. *Auschwitz: Plain Facts* subjects Pressac's works to a devastating critique by leading revisionist scholars. The verdict: Pressac did not pay any attention to "the technique" of mass murder, as his books claim. In fact, he reveals such a massive technical incompetence that his works belong into the category of novels rather than history.

---

**Germar Rudolf, Carlo Mattogno, *Auschwitz Lies. Legends, Lies, and Prejudices on the Holocaust.*** **Download:** [PDF: 14.3 MB](#) - [HTML-ZIP: later](#) | [Buy this item](#)

What do Prof. G. Wellers, Prof. J. Markiewicz, Prof. J. Roth, Dr. R. Green, Prof. J. Zimmerman, and Prof. M. Shermer have in common? They all tried to refute the scientific findings of Holocaust revisionism -- and they all failed. This volume discusses these and more authors and exposes their attempts at refutation as a mixture of scientific bungling and fraud.

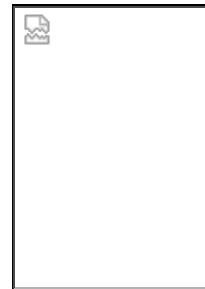

---

A world to be explored.
